NATIONAL WOMEN'S SHOW CALGARY has been granted "official recognition status" by Canada Border Services Agency (Canada Customs) allowing certain privileges for event materials entering Canada. Using the official Customs Broker will eliminate the possibility of materials being held at the border by Canada Customs due to improper or insufficient documentation. We will assist all Exhibitors with their temporary imports, permanent entries, export of exhibit materials, and ensure that all qualifying "official recognition status" privileges are applied.

PLEASE NOTE: Failure to comply with the deadlines, consignee, and document instructions, will cause unnecessary delays and may lead to additional charges. For this reason, if you will be using a Freight Forwarder or Customs Broker, other than Cross Connect, please be sure to pass these instructions on to them. Exhibitors using their own Customs Broker will have to arrange their own bond or cash deposit with Canada Customs at the point of entry into Canada.
